ROOM TO READ

Our Vision

Room to Read believes that World Change Starts with Educated Children. We envision a world in which all children can pursue a quality education that enables them to reach their full potential and contribute to their community and the world.

Our Mission

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.

Our Goal

This year we have an aggressive goal of raising **\$60,000** to benefit Room to Read. With these funds we hope to build a school in the memory of Gabriela Culver, who passed away before her 2nd birthday of a congenital heart defect. The school will touch hundreds of young children in Gabriela's honor.
