Start: West of Tennis Center. 36.3m W of storm Drain. 16.3m E of Stairs to athletic fields. 8.1m E of Light pole.

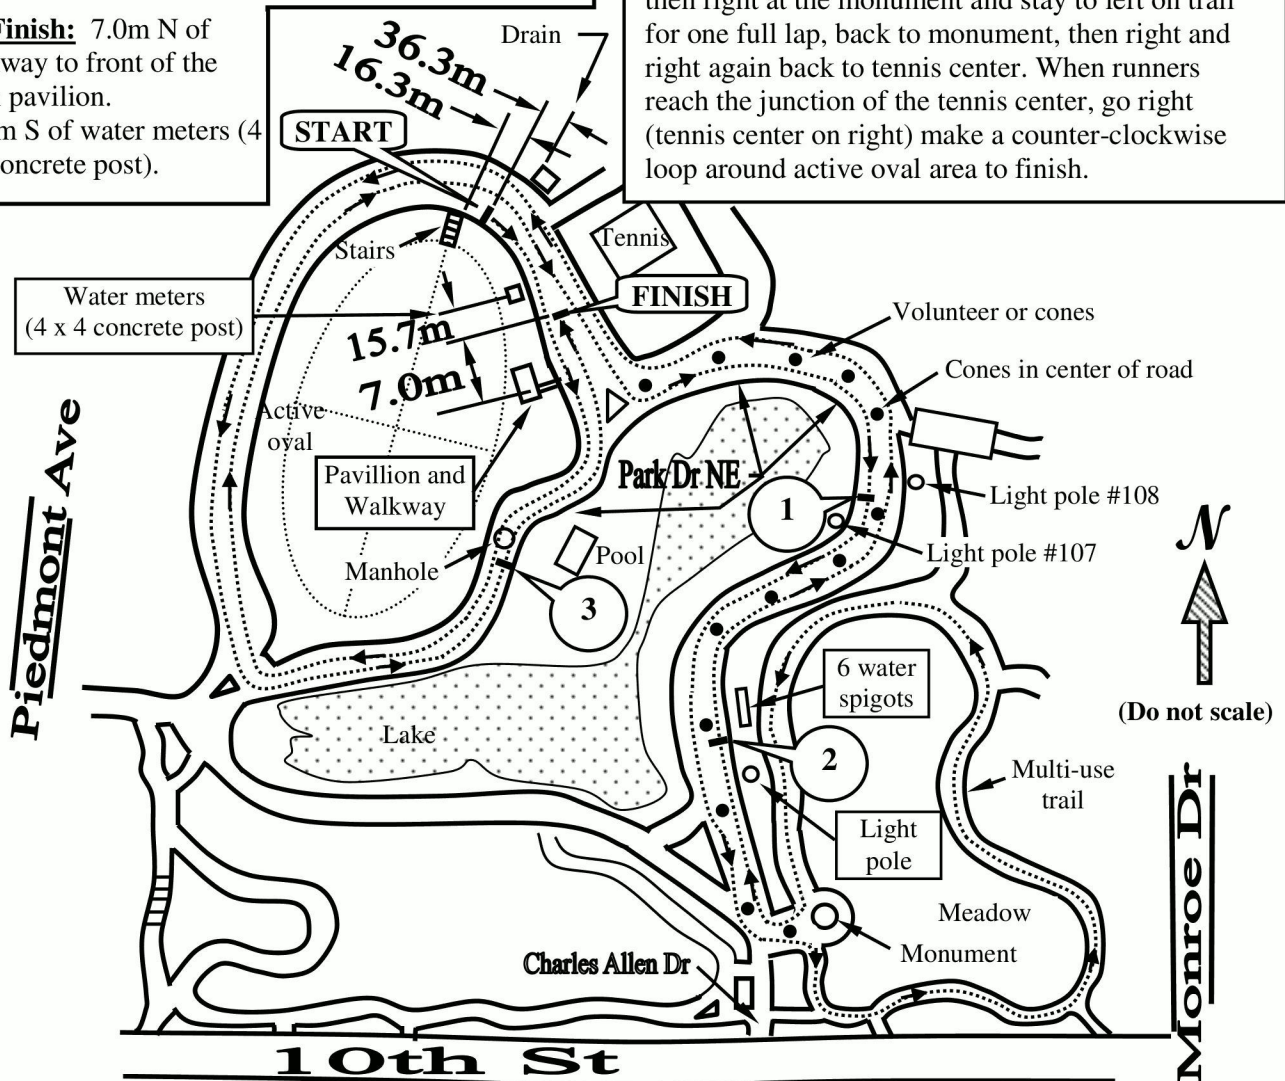

1 Mile: After right turn off of Park Dr NE road to 10th St., 7.5m S of light pole #108. 11.6m N of light pole #107 before the sun dial on right.

2 Mile: 15.5m S of 6 water spigots (Hydrant). 2.8m N of light pole.

3 Mile: South of swimming pool. 26.7m S of manhole in center of road.

5K Finish: 7.0m N of walkway to front of the main pavilion. 15.7m S of water meters (4 x 4 concrete post).

Route: This route is on the interior roads of Piedmont Park. There will not be any public cars in park. Start loop will go clockwise around active oval area, go past start, bear left past tennis center onto Park Dr this will be coned off then turn right on road toward 10th street exit, turn left onto multi-use trail, then right at the monument and stay to left on trail for one full lap, back to monument, then right and right again back to tennis center. When runners reach the junction of the tennis center, go right (tennis center on right) make a counter-clockwise loop around active oval area to finish.

Notes:

1. Runners have full access of road and trail except for Park Dr NE and the section where Mile 1 & 2 are it will be coned off to keep runners from running into each other.
2. "S", "F", 1, 2, 3, white paint with nails and washers.
3. All intersections of the multi-use trail will have cones and volunteers to route runners.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year
